

METALIA[®]

**SINCE 1990, WE HAVE BEEN CREATING
INNOVATIVE STORAGE SOLUTIONS TO
MAXIMIZE YOUR ORGANIZATION AND THE
WORKFLOW OF YOUR OPERATIONS.**

DESIGN

Our experienced engineers and industrial designers created Metalia® products to make them useful, efficient and stylish.

INNOVATION

Protected by numerous patents, Metalia® products stand for innovation and offer the latest technology and features in the industry.

DURABILITY AND TECHNOLOGY

Metalia® products are made of the finest materials using the latest technology and are lifetime guaranteed. Our goal: provide the user with maximum productivity.

MS
SERIES

MODULAR CABINETS & MODULAR DRAWERS

OPTIMIZED SPACE. OPTIMIZED OUTPUT.

MAXIMIZE YOUR PROFIT PER SQUARE FOOT WITH MS SERIES

TRANSFORM EVERY SQUARE FOOT INTO PROFITS

Store more in our modular cabinets and transform up to **70% of the space used by regular shelves into profit making floor space.**

WALK LESS, SAVE MORE

Keep the most popular items at hand, **increase your productivity and your picking rate by 25%.**

KEEP AN EYE ON YOUR INVENTORY

See your whole inventory **at a glance**, limit waste and unnecessary purchases.

INVEST IN ADAPTABLE AND DURABLE STORAGE

Outperforming other organization methods, our partitions and dividers are **indestructible, infinitely adjustable and adaptable to your evolving needs.**

MODULAR CABINETS & MODULAR DRAWERS

OPTIMIZED SPACE. OPTIMIZED OUTPUT.

440 LB CAPACITY PER DRAWER

10% more than industry standard.

What's in it for you?

- Store more in less space.
- Eliminates deformation of the drawer.
- Less strain on the unit, improved lifetime.

SWISS-MADE SLIDING SYSTEM ON DELRIN® WITH SAFETY LOCK

NASA sourced material is used to create the world's best sliding system.

What's in it for you?

- Self-lubricating, maintenance free and keeps its properties in extreme temperatures.
- Ensures maximum reliability, precision and smoothness for the lifetime of the unit.
- Safety Lock system prevents drawers from accidentally falling out of the cabinet.

FULL HEIGHT DRAWER SIDEWALLS

Every cubic inch at your service.

What's in it for you?

- Prevents items from mixing or falling off drawer's sides.
- Maximize your investment by using every square inch available.
- Available in every drawer height.

INTEGRATED FORKLIFT BASE

Mobility... simplified.

What's in it for you?

- Provides safer and easier moving of the unit.
- A front kick-plate preserves the clean look of the cabinet.

PARTITIONS AND DIVIDERS

Organized to perform better.

What's in it for you?

- Organize tools and parts of all sizes efficiently.
- A modular system, adaptable to your evolving storage needs.
- Ultimate durability, superior to any other storage method.

100% OPENING

Easy access and control over what matters most to you.

What's in it for you?

- Use the full depth of the drawer.
- Easy access to the longest tools and the most cumbersome parts.
- Full visual inspection of your inventory minimizing waste and unnecessary purchases.

METALIA® LIFETIME WARRANTY

Store your worries away.

What's in it for you?

- Ensures high performance through the whole life cycle of the unit, limiting downtime.
- Peace of mind: All Metalia® products carry a Lifetime Warranty.

NEW TO
MS
SERIES

ROLLED-EDGES DRAWER FACE

Durability on the frontline.

What's in it for you?

- 14 gauge steel for industry-leading stiffness and rigidity you can feel on every pull.
- Keeps drawer from bending under heavy load.
- Prevents wear and extends lifetime.

DIGITAL LOCKING SYSTEM*

Better control, easier management.

What's in it for you?

- Simplified access control for managers with Master Code.
- Eliminates the need to track keys (loss, turnover).
- Millions of possibilities with an 8 digit code.

LED DRAWER LIGHTING*

Focus on your productivity.

What's in it for you?

- Find what you are looking for faster, without relying on surrounding lighting.
- Effective in all drawers.

NEW TO
MS
SERIES

ERGONOMIC DRAWER HANDLE WITH PATENTED DESIGN

Quality you can feel.

What's in it for you?

- Eliminate the risk of snagging with this unique patented handle flush with housing.
- Robust aluminum construction, modern design, improved looks.
- Available with a heavy-duty lock-in mechanism*.

NEW PRODUCT!
PLEASE INQUIRE FOR LEAD TIME.

"ONE DRAWER AT A TIME" SYSTEM*

Safety is the #1 priority.

What's in it for you?

- Eliminates the risk of injuries by keeping cabinet from tipping.
- A must-have for mobile cabinets and toolboxes.

UNIQUE POWDER COATING

Great look, durable, amazing protection.

What's in it for you?

- The best protection against scratches, abrasion and corrosion.
- Ensures a top notch look for the lifetime of the unit.

* Available as an option. Please inquire for lead time.

OPTIMIZED SPACE. OPTIMIZED OUTPUT.

METALIA

METALIA

WR2S

WORKSTATIONS

WRS WORKSTATIONS

SUPERCHARGE YOUR SERVICE DEPARTMENT'S WORKFLOW

440 LB CAPACITY PER DRAWER

10% more than industry standard.

What's in it for you?

- Store more in less space.
- Eliminates deformation of the drawer.
- Less strain on the unit, improved lifetime.

SWISS-MADE SLIDING SYSTEM ON DELRIN® WITH SAFETY LOCK

NASA sourced material is used to create the world's best sliding system.

What's in it for you?

- Self-lubricating, maintenance free and keeps its properties in extreme temperatures.
- Ensures maximum reliability, precision and smoothness for the lifetime of the unit.
- Safety Lock system prevents drawers from accidentally falling out of the cabinet.

ONE PIECE, CAST ALUMINUM HANDLE WITH DIGITAL LOCK

The best handle in the industry.

What's in it for you?

- Safer storage for your technicians' personal items.
- Simplified access control for managers.
- Eliminates the need for tracking keys.
- Most durable, improved looks and image.
- Exclusive one-piece construction.

DIGITAL LOCKING SYSTEM

Better control, easier management.

What's in it for you?

- Simplified access control for managers with Master Code.
- Eliminates the need to track keys (loss, turnover).
- Millions of possibilities with an 8 digits code.

FULL HEIGHT DRAWER SIDEWALLS

Every cubic inch at your service.

What's in it for you?

- Prevents items from mixing or falling off drawer's sides.
- Maximize your investment by using every square inch available.
- Available in every drawer height.

ROLLED-EDGES DRAWER FACE

Durability on the frontline.

What's in it for you?

- 14 gauge steel for industry-leading stiffness and rigidity you can feel on every pull.
- Keeps drawer from bending under heavy load.
- Prevents wear and extends lifetime.

METALIA® LIFETIME WARRANTY

Store your worries away.

What's in it for you?

- Ensures high performance through the whole life cycle of the unit, limiting downtime.
- Peace of mind: All Metalia® products carry a Lifetime Warranty.

NEW TO
WRS
WORKSTATIONS

1¼" THICK, DOUBLE WALL STORAGE UNIT DOOR

The heaviest in the industry.

What's in it for you?

- Increased rigidity and durability of each unit.
- Eliminates the risk of deformation over time.

LED DRAWER LIGHTING

Focus on your productivity.

What's in it for you?

- Find what you are looking for faster, without relying on surrounding lighting.
- Effective in all drawers.

LED WORK SURFACE LIGHTING

A bright view on your task.

What's in it for you?

- Increase your productivity with a perfectly lit work surface.
- Energy efficient and extremely long lasting.

HEAVY-DUTY LEVELLING FEET

Built tough.

What's in it for you?

- Extra-large base with heavy-duty rubber.
- Designed to outlast the life expectancy of the unit.
- Simple and easy to adjust for perfect levelling.

ARTICULATED LIGHTING SYSTEM

Always by your side.

What's in it for you?

- 4000 lumens light up to 6' in front of the station.
- Eliminates the need for external light.
- Less electrical cord on the ground, less risk of injuries.

UNIQUE POWDER COATING

Great look, durable, amazing protection.

What's in it for you?

- The best protection against scratches, abrasion and corrosion.
- Ensures a top notch look for the lifetime of the unit.

WRS WORKSTATIONS

SUPERCARGE YOUR SERVICE DEPARTMENT'S WORKFLOW
